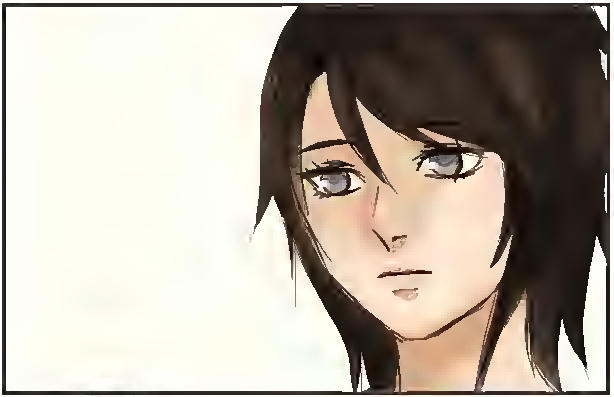
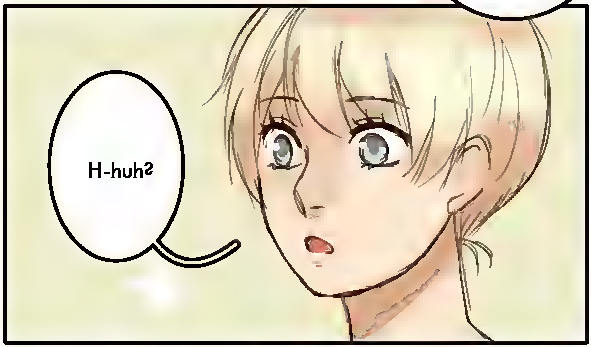
Could it be that she knows...?



I didn't even get to tell Dindin that Horue knows obout us, ond now Rosolie hos found out.
What do I do?! I con't hondle this oll on my own!

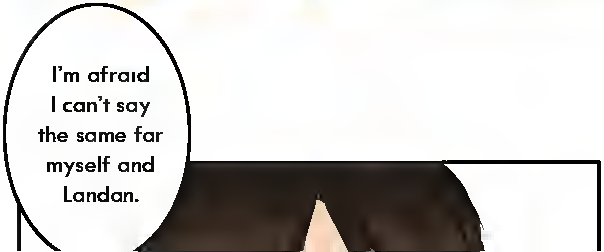
My brother, Landon...
What is he like? How

would you describe him exactly...?



It's a pretty weird question for his big sister to be asking.
After all, I'm sure you're close with your brother, correct?
Yeah,

Rascoe and I are really close. We're twins.



I'm afraid I can't say the same far myself and Landan.

Whenever I do try talking to him, he's always so aloof and quick to push me away.

There used

to be a time when we were close, but that was when we were both so young.

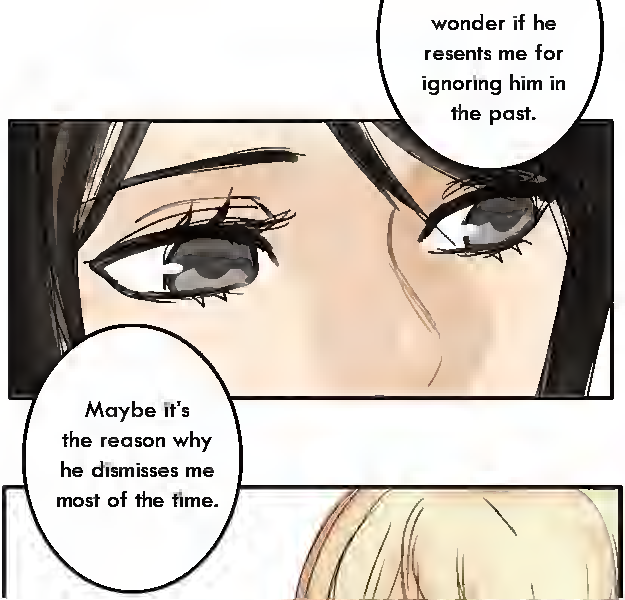
One day, he just distanced himself from everyone.
I wasn't sure

what was going through his head, but it must have been tough for him.

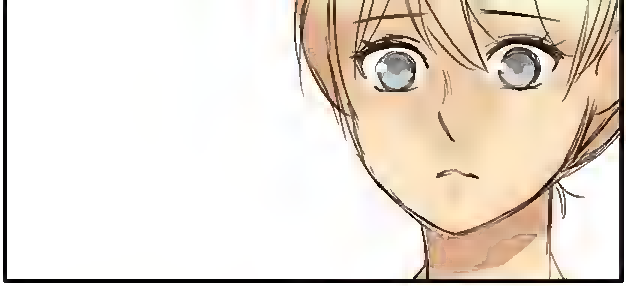
However...
I had just started my modeling and acting career at that time, so I feel like I failed to realize it sooner.

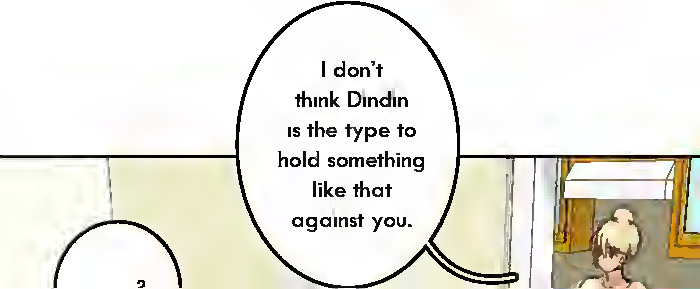
I was so caught up in my own schedule, I neglected him when he probably needed someone the most.

I don't meon to dote on him.
He's not o little kid onymore ond I know he's well copoble of looking ofter himself now. I'm not worried obout thot ot oll.
It's just... Sometimes I

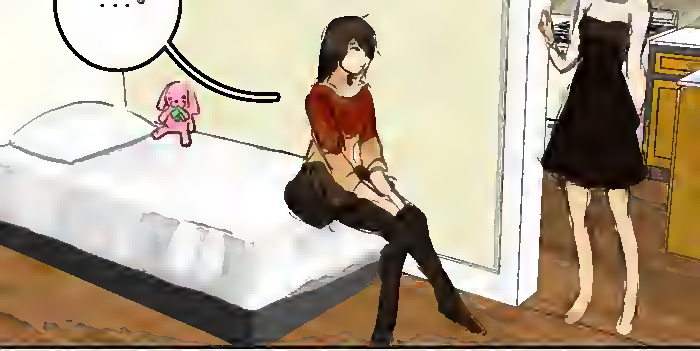


wonder if he resents me for ignoring him in the past.
Maybe it's the reason why he dismisses me most of the time.



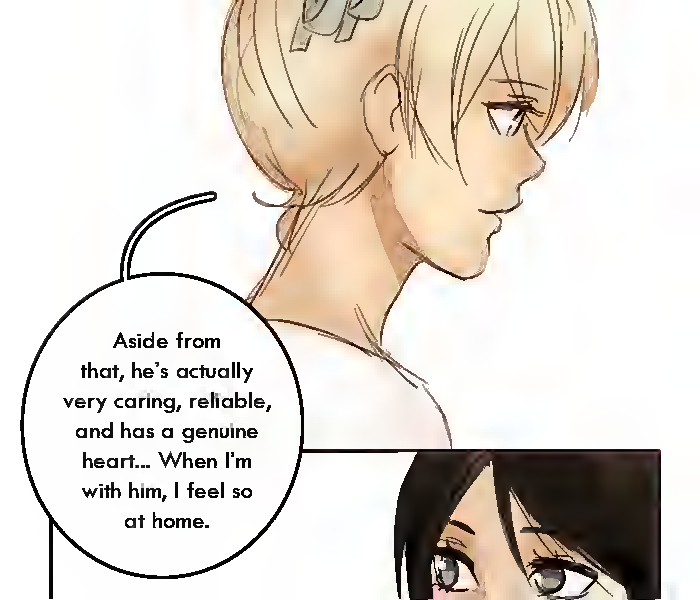


I don't think Dindin is the type to hold something like that against you.



He might be secretive and closed off to a lot of people...

But that's only because he worries about what others will think of him.

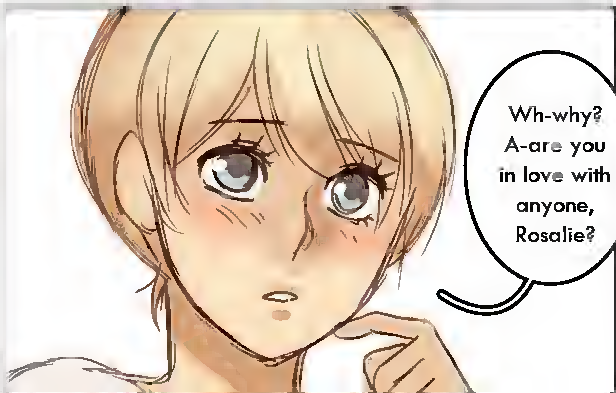


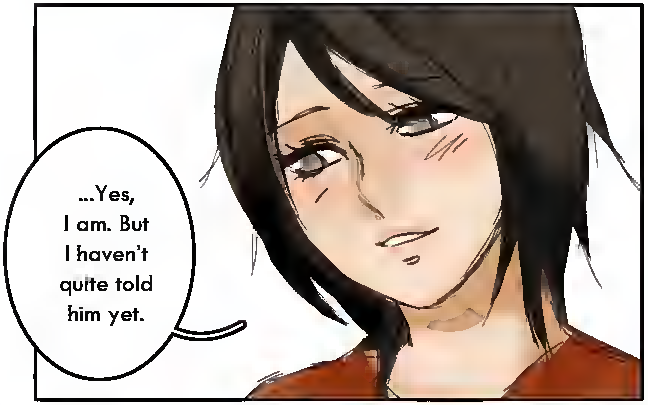
Aside from that, he's actually very caring, reliable, and has a genuine heart... When I'm with him, I feel so at home.

I see... That's a relief.
Perhaps I was taking it a little too

personally after all.
Though the way you describe him is almost like how someone in love would describe their significant other.
You two are really close now huh~?
I-love?!

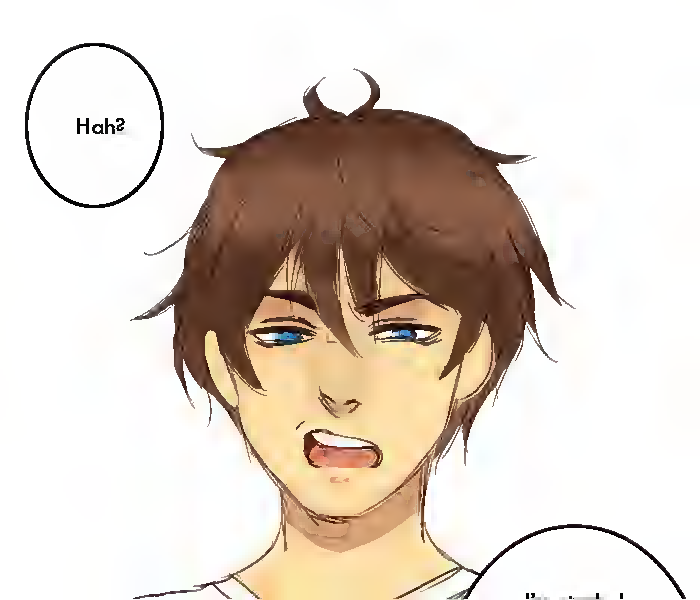
I-I don't know about th-that!



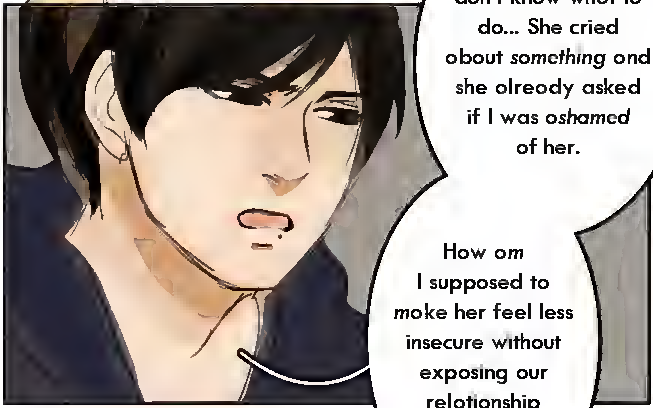


...Yes, I am. But I haven't quite told him yet.

She's
so mature!



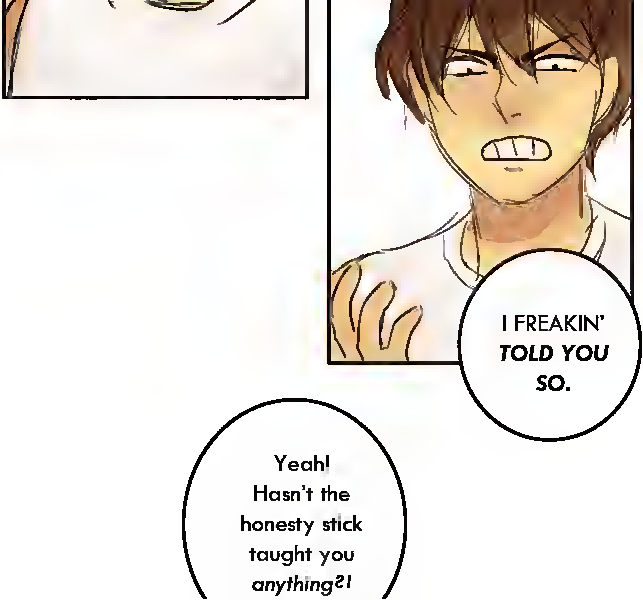
Hah?



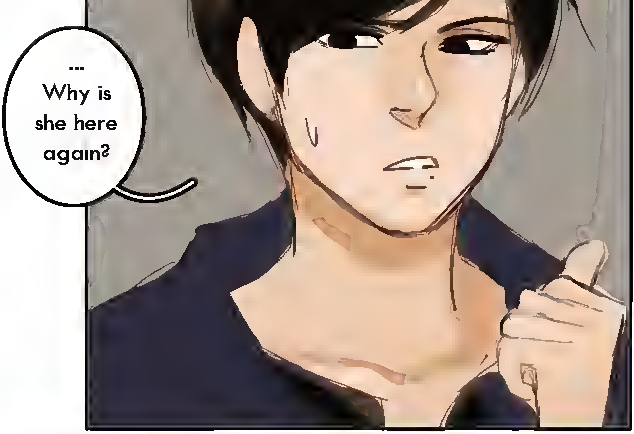
I'm stuck. I don't know whot to do... She cried obout *something* ond she olreody asked if I was *oshamed* of her.
How *om* I supposed to *moke* her feel less insecure without exposing our relotionship to everyone?

I'm telling you, Donny. All this lying and "secret" stuff is going to ruin you in the end.

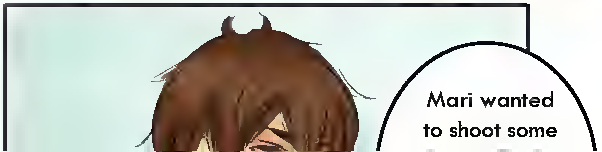
I'm not trying to say 'I told you so', but...



I FREAKIN' *TOLD YOU SO.*
Yeah! Hasn't the honesty stick taught you *anything?!*



...
Why is she here again?



Mari wanted to shoot some

hoops. Don't worry about her, she won't spill your secret.
Yep! I am sworn to

secrecy!

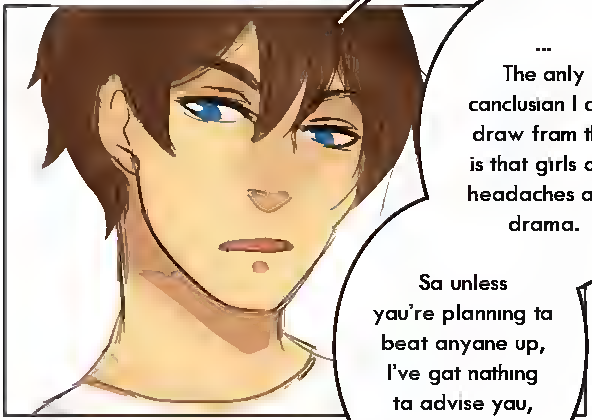
But seriously, what's the big deal if people find out about you and blondie?
MARKET

Sure, they might say stuff, but who gives a crap?

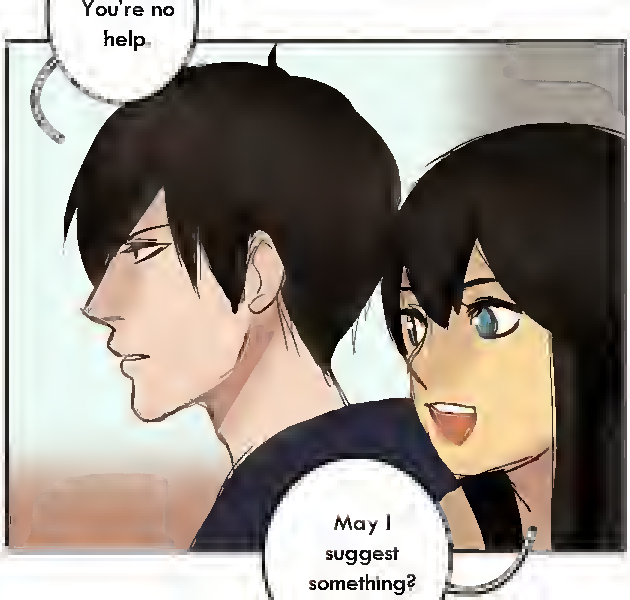
It's not that simple. I'm not too concerned with what they'll *say*, but rather how it'll *effect* her.

Hmmm... The killjoy has a point, Taiga.
I take it that with his reputation and all, he doesn't want to drag Rachelle down with him.
GRRRRRRRR

Not to mention there's quite a bit of girls who fawn over him in class.
And trust me, when girls get jealous, they can be *vicious*.



...
The anly canclusian I can draw fram this is that girls are headaches and drama.
Sa unless yau're planning ta beat anyane up, I've gat nathing ta advise yau, Danny.



You're no help.
May I suggest something?

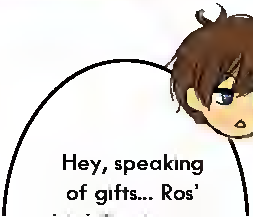
So maybe you can't be seen together in public, but you can still do something special for her!
Maybe give her a gift that's sweet or sentimental? Mushy

stuff to symbolize your faithfulness to her, you know?

That's... surprisingly not a bad idea?

fufufu

And you were doubting me, weren't cha?



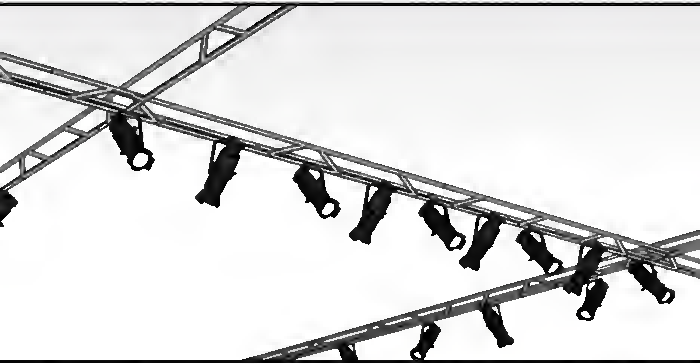
Hey, speaking of gifts... Ros'

birthday is soon, right Donny? What does she like?

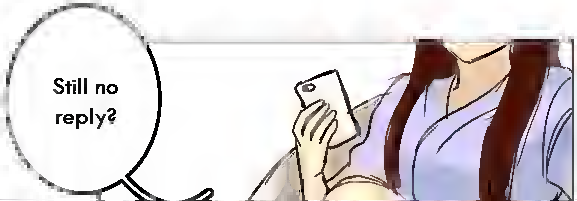
...

What are you talking about? Rosalie's birthday is *months* from now...

Crap. I knew that...



SIGH



Still no reply?

London, how long ore you going to keep me waiting?
Landon~
If you oren't

going ta answer my texts...
I just might have to came to you

myself.
